WINEMAKERS NOTES

This Pinot Noir is our flagship; a way to really showcase Riverbench Vineyard. Each year, we carefully select the clones and barrel lots that will make up this bottling so that it combines the best qualities of all different parts of the property. After nine months in barrel to develop amazing complexity and deliciousness, the wine is fresh and bright, and very typical for the Santa Maria Valley. The palate boasts juicy red fruit flavors that meld nicely with a hint of our signature Riverbench smoke and clove. Try it with duck breast or anything that involves mushrooms.

2019 HARVEST

The old mantra of “slow and steady” reverberated across the 2019 vintage which started with abundant winter precipitation followed by a classically cool summer. The rains we received over winter were 5” above normal, priming our vines for an auspicious budburst in mid-March. Warm spring temperatures accelerated rapid flowering and therefore consistent fruit set, the like of which we had not seen in years. Unusual May showers gave our vineyard crew a formidable challenge of thwarting powdery mildew and botrytis on the vines. We are happy to say they rose to the occasion and kept our fruit some of the cleanest in years despite the late rain and foggy summer to follow. The first grapes for our sparkling wine, the Pinot Meunier, came into the winery on the first of September, a little later than usual. The rest of our still wine grapes followed suit and by the start of October, 95% of the ranch was harvested. The Pinot Noir clones exhibited dark color and rich extraction from the lower-than-expected yields. The real star of 2019 however, was our 15 acres of old vine Chardonnay. The clusters verged on perfection with clean, balanced, concentrated fruit. The cool growing season showcased primary notes of granny smith apple and riverbank minerality that will continue to develop in bottle “slow and steady” long into the future.
