WINEMAKER'S NOTES

In color psychology, pink is a sign of hope and compassion. It inspires warm, calming and comforting feelings, making the viewer feel that all is well in the world. Therefore, consider our Brut Rosé therapy in a bottle. Lightly perfumed with aromas of orange blossom and a hint of rosewater, this blush pink wine boasts noticeably fine bubbles. In the mouth, flavors of meringue, marzipan and raspberries are made all the more intriguing by a soft sensuality. A few glasses might leave a little pink in your cheeks; whether it's from lust or indulgence is for you to decide.

2020 HARVEST

Amidst high tensions in the weather and the world at large, the 2020 vintage ushered in high quality and clean fruit reminiscent of Santa Maria's celebrated cool climate. The year began with a dry winter that dribbled out less than half the usual rainfall and incited an early budburst. Hearty shoots managed to survive the windy spring and the nighttime frost alarms. Summer started out quiet and cool until August when high temperatures and humidity whipped up spectacular lightning shows and a few hefty downpours, testing our fungal-resistant pruning practices. When the turbulent storms subsided, they were replaced by 10 days of smoky haze as major fires broke out to the north and the south. By the grace of our valley topography, our vines were buffered by the worst of the smoke and flames with no taint detected on our early grape pulls. Harvest commenced with clean picks of sparkling Pinot Meunier on August 20th. Timing was steady and calculated. Safe from the challenges of weather, smoke, and global pandemics, the grapes in the winery unfolded elegantly. Our Pinot Noirs show incredible color with particularly luscious tannins from this year's small berries while the Chardonnays will age well into the future with bright acids and popping citrus aromas. While challenging, 2020's adversities built wines with character, concentration, and complexity that gave us cause to celebrate.
